## Message from Inspector Selvarajah

We have witnessed a spike in thefts from unattended vehicles in the Pulham's and I am pleased to report that one man has been arrested and remains under investigation. Thieves appear to be targeting tools so we are asking that all valuables are removed when vehicles are left unattended. We still experience problems with acquisitive crime in the Carleton Rode and Bunwell area and patrols have been increased. Please remain vigilant and always report suspicious activity. Local officers took part in a joint operation targeting road users in Diss and the results of this have been published on social media. Officers will be focusing on road safety in particular those that drink and drug drive over the festive period. This is part of a national campaign and on the first day a man was arrested in Hempnall. I would like to wish you all a Merry Christmas and a Happy New Year.

## What is happening in your area

### Message from your Beat Manager Pc Barkway

Over the past month we have seen Halloween and Guy Fawkes celebrations come and go successfully and soon Christmas and New Year will be upon us. We have been busy with promoting road safety around the fatal four offences that lead to most traffic casualties, Speed, Seat Belts, Drink Drive and Mobile Phones.

Our Road Policing Department linked up with the Special Constabulary and Beat Manager in an operation around the fatal four resulting in two drug drive arrests, 43 Tors for offences and numerous warnings and advice administered.

Rural crime and burglaries are still happening and as we prepare for the xmas celebrations please be vigilant for suspicious vehicles and people as we leave our homes full of goodies to go our visiting. Consider leaving lights and radios on to make the place look occupied. Please also be aware of the scams around being asked to pay bills with gift vouchers. If in doubt call 101 and ask us for advice.
