At the time of writing this we sadly learn of the passing of our Queen, Queen Elizabeth II. Our thoughts go out to her family. She has been a much loved inspiration to us for most of our lives and we now look forward to a new chapter with Charles III at the helm.

God Save the King.

“Water, Water Everywhere, but not a Drop to Drink!

That quote comes from Samuel Taylor Coleridge’s poem, ‘The Rime of the Ancient Mariner’. It describes the predicament of Sailors being at sea (Water Everywhere), yet having no fresh water available (Not a Drop to Drink).

This summer we too have become aware of water’s scarcity and seen how precious a resource it is. For, that quote above is not quite the situation of this summer 188 years after Coleridge wrote his words. For us it’s: Water, Water Nowhere……! But we still need to drink!

Did you know the human body is made up of about 60% water? And, while we can live without food for just over 30 days and without air for just over 3 minutes, we can only live without water for just over 3 days.

This July was our driest July since records began in 1836 (2 years after Coleridge’s poem) and there has been less than average rainfall each month since October 2021. August brought no relief. Thankfully we haven’t had hosepipe bans or the distribution of bottled water. Yes, we have got parched gardens, but the brown and dusty fields are a bigger headache for our farmers, especially with the cost of electricity going through the roof to pump water to irrigate their crops.

It makes you wonder how places get on where water is even less available than we have ever known. Many Charities help to bring clean water to people who have none. These include Water Aid, UNICEF and Splash. You could give thanks for the clean water we do have in this country by giving a donation to one of them.

Jesus lived in a land where water usually had to be drawn up from wells and people knew how valuable a resource it was. He once spoke of water in terms not just of its physical sense and value, but of the spiritual Living Water of Life, refreshing, invigorating and quenching our deepest thirst and needs for those who received it from Him.

On another occasion He invited any who were ‘thirsty’ to come to Him and drink. Saying that whoever puts their Trust in Him will have rivers of this Living Water flow from within them. By this He meant The Spirit – God’s Holy Spirit, available for you and for me.

This winter will bring pain, doubt and hardship to many, why don’t you take Jesus at His word and find out all that He offers. The churches are here to help and are only too willing to share the Love and Satisfaction that God promises to give to anyone having true Faith in Him. If you’re thirsty and someone offered you water, you’d be silly not to accept it, wouldn’t you?

Don’t ignore God’s offer of Living Water either.

2nd Long Stratton Brownies

Brownies are part of the Guide movement and led by trained, voluntary, unpaid leaders. We meet weekly during term time, have various other events including sleepovers, pack holiday, fun days and participate in village activities including Remembrance Day, the Christmas tree festival and occasionally small fundraising events.

We are registered within Norfolk's youth organisations but are self-supporting for our activities and materials - especially badges and craft materials. Brownies learn new skills, take on challenges working through our new programme and have fun together with friends.

We have a few spaces for girls aged 7-10 who would like to join us. ***Please contact Brown Owl (Josie) on Tel 01508 531100 for more information or register your interest at www.girlguiding.org.uk***

Long Stratton Rainbows

We are super excited to be back this term with autumn crafts and activities after a lovely summer break. This term we welcome some new girls to the unit and hope they enjoy the time with us. Also this term we are preparing some of the older girls as they come to the end of their Rainbow journey by completing their 'pot of gold' activities, before moving up to Brownies.

With that said we still have spaces within our unit for girls aged between 4 1/2- 7, we meet Wednesdays term time 4:30-5:30pm.

As the youngest section of GirlguidingUK, Rainbows focusses on fun and friendship with a mix of badge work and activities, as well as crafts, games and songs.

Please register your interest via the website ***www.girlguiding.org.uk***, information for parents tab and then register your daughter. A unit leader will then be in touch.

Janette and her team use a fantastic approach to selling- making the whole process easier for her clients in every way and achieving amazing results.

As we enter a time of potential change in the market over the winter I can guide you through with a careful hand. Being local and working in this market for nearly 30 years you can be sure you are getting the right advice from day one.

We can't give away all our secrets here but please call Janette to get a really up to date idea of things- prices are changing all the time and you may be amazed!

Look forward to a new home

G ★★★★★

Highly recommend Janette & her team at Howards, great service, great communication and nothing is too much trouble.

Janette was always very professional, kept to her word & showed lots of kindness & compassion during our sale.

RG

We started our journey in the hunt of a new property & relocation from Essex, and on finding a property that we fell in love with from the first viewing with Janette just before Christmas.

It was not a easy process our end on sale of property, but both Janette and Cheyenne worked non stop in supporting our purchase and managing the communications though out, and on 14th June 2022 our dream come true and we finally moved in.

CB

Please call me for a valuation and to discover what just might be the best move you could ever make!

ST MARY'S CHURCH

As you are all (hopefully) aware by now we are currently in a vacancy in relation to appointing a new Rector (previously called an interregnum)

Recently the churchwardens and the ministry team for each church in our benefice were sent a letter from the Norwich Diocese advising that our benefice has been placed into what is called "Suspension of Presentation" which means that the Bishop will make decisions going forward and all rights are reserved as to whether Heather is replaced or not. We have not been advised of a timescale. Currently, St. Mary's is in a group (benefice) of 8 parishes. However, between us, we have not been able to pay the required contribution (Parish Share) towards the costs of paying for the clergy that serve us. Therefore, it is highly likely that the benefice will be enlarged and that any successor to Heather will have several additional parishes to look after and may or may not actually live in Long Stratton.

The reality of the situation is with a small ministry team and PCC, the loss of our valued verger, no one able to regularly care for the churchyard plus the recent resignation of our administrator, there are very few of us trying to keep things going and still be there for the people of Long Stratton.

However, your understanding would be appreciated if we are unable to meet expectations or even if the church is not open as frequently as people have been used to, we are trying our best and any willing volunteers are always welcome.

St Mary's as an institution, as a historic building or through family events is close to many people's hearts, however few people attend regularly and things may well have to change going forward.

Once we have further information we will of course share this with you all.

Research in practice

This month I want to touch on the importance of research in primary care. I have been involved with various research studies over the past few years, and many of you would have received invites from me for these studies. I want to thank you for responding and participating in studies which include the DIFRID, StatinWISE, Orange juice study, TWICS, GRASP – AF, CANDID, Colorectal and many more. The ongoing studies at present include ATTACK, HipDys and Immune Defence Study. We are also getting involved with an Asthma diagnosis study for 5 – 25-year-olds.

What is the need for Research in Primary Care?

An article in the British Journal of General Practice in 2019 by Richard Hobbs gives us the answer we all ask ourselves. I enclose important excerpts from his article.

‘Primary care evidence has regularly impacted on informing international clinical guidelines, which is itself a useful surrogate for relevance and impact. The rate of such research has accelerated in the past 20 years and the quality and complexity has increased. Health systems should highlight the importance of primary care research to help deliver and guide priorities and invest in the academics and research practice networks that provide the evidence.’

It is important that research continues. I want to again thank all of you who have participated and continue to participate. I do hope as more relevant studies come out, many more of you will participate and help improve care and management of various conditions.

LONG STRATTON & DISTRICT WI

In August we had a very pleasant Garden Party in a member's garden. The photo below shows some of our members relaxing in the sunshine. The weather was fine but two members had put up a gazebo to protect the bring and share afternoon tea as the weather forecast warned of thunderstorms to come. Fortunately the party was over before torrential rain ended the afternoon, by which time most had gone indoors or home.

During the month we have enjoyed another Knit and Natter morning and been out to lunch at a local garden centre.

Several ladies have crafted flowers to decorate the garden at the Federation Offices in Norwich. The house and garden was open to the public for the first Friday of Heritage Days and we had entered a team in their Walking Treasure Hunt. More of that next month.

In October we are celebrating our 95th Birthday. As usual the meeting will be on the third Wednesday of the month and we will be catering for invited guests from surrounding women's institutes.

Please 'phone 01508 531154 with any queries and look out for more information next month.

HARLESTON & DISTRICT U3A

Harleston & District u3a's next talk – 'Shetland' - on 19 October at 2.00 pm in St John's Church, Harleston, will be presented by Harleston u3a member Geoff Doggett. By boat and train Geoff will explore Shetland music, wildlife, and the landscape which encompasses the beaches and seas of the one hundred islands that make up the Shetland isles and their strong Viking heritage.

LONG STRATTON LIONS

One of our members, Lion Jean Moore, has been hard at work for some months knitting baby shawls and blankets for the Norfolk and Norwich Baby Unit. New mothers are given one and they take it home with them when they leave; the scent gives the baby a sense of familiarity. Here she is displaying one of her finished articles. She also knits small squares (as requested by the Unit) on which the new-borns lay their little heads while feeding.

The next coffee morning will be on Saturday 8th October 2022!!

All are welcome

A tale of snakes and ladders The Talbots of Wacton

This family only came to the Wacton/Stratton area in 1848 and although most left in 1872 through the laws of inheritance kept an interest in Wacton until 1949. They started as landless workers, climbed to landowners but slipped and lost their position in the village. They also married into several local families but not always locally. I am indebted to Jon Talbot who helped me with the details of the families' activities both in and outside Norfolk.

William Elijah Talbot was born in 1826 at Bressingham and married Melissa Thompson in Potter Heigham in 1847. They then moved to Stratton where they had five children by 1857. In the 1851 Census William was working as a coachman living on the Turnpike, but it appears they temporarily moved to Bush Green Pulham St Mary Virgin in around 1858 as their next son was born at Pulham. However by 1960 they had moved to the Wilderness Wacton, William then being employed as Farm Bailiff, same as a farm manager today, for Rev Ellis Burroughes. Here they had their last son in 1860.

As an employee William did not have the right to vote in Wacton but in 1861 registered to vote on the Pulham property which he presumably owned but let.

In 1867 William's eldest son William married Jane Richards, from Presten Dorset, in Newington London where they had a single son named William Elijah after his grandfather. The family returned to Wacton and William took over the village shop but he died of diabetes, aged 21, in September 1869. Jane and her son then appear to have moved back to London.

After William's death his father put his second son George into the shop at Wacton. William, senior, informed the shops suppliers that as his son was under 21 to send the accounts for purchased stock to him.

In 1870 Mary Elizabeth, one of William senior's daughters, married William George Smith from Great Moulton and later their son, Leonard George Smith was to be the shopkeeper at Wacton from around 1911 to the 1930's.

SJP1202 V1 (04/20)

Cont from p33.

By 1871 William Talbot had progressed to farmer himself, renting Grange Farm Wacton recently purchased by Randall Ellis Burroughes, but it seems George was not so successful in running the shop as in August £57/11/3d was owing to the suppliers and William asked them to stop further supplies until he could thresh some corn. The sum of £25 was paid off at the end of September and a further £5 in December when George tried to order more stock. Shortly after that George filed for liquidation of his affairs by arrangement. As George had known Martha Weston, daughter of the neighbouring land owning farmers during her childhood, I suspect the Weston family were aware of the 'friendship' between Martha and George and I wonder if, when the shop business became unstable, the Weston's tried to stop Martha becoming involved with George. It appears that Martha eloped with George, moving to London and the home of George's uncle from where on 27th December 1871 he married Martha Weston by licence.

As the account for the shop supplies was in William, senior's name on 6th March 1872 the supplier took him to court for a debt of £23/6/10 pence and 35 shillings and 5 pence interest. The court upheld the case and ordered payment, then on 14th March notice of William senior's bankruptcy was issued. By the end of April the household and farming stock had been sold and William left Wacton, first to be a publican at Hingham then farm bailiff at Merton. Meanwhile George and Martha returned to Norfolk, their first son Edgar Weston Talbot was baptised at Wacton in 1873 then they moved to Heigham near Norwich and had a further eight children including John Clement Talbot who when he grew up returned to Wacton to work on his grandmother's, Harriet Weston's farm, Park Farm, until she died in 1921 and then for her daughter Mary when she took over the farm. John Clement died in 1936 and Mary Weston died in 1949.

Now as all the children of Harriet and John Reeve Weston were dead their property was inherited by the children of Martha Talbot, the only child to have any children. So in 1949 Gilbert William Talbot and Ethel Blanche Talbot acted as administrators and sold Park Farm.

On our first walk of meteorological autumn we were pleased to welcome two newcomers, Dianne and Chris, to our wanderings and they brought with them very pleasant weather conditions.

Nine of us set off to Swardeston, parking at the cricket ground/village hall and setting off across the common. We headed north-west along the well defined footpath, passing through lightly wooded sections and open grassland, aiming towards East Carleton. One of our group, Bonnie, has a good knowledge of wild flowers and spotted many different ones, including Ladys Bedstraw, Autumn Hawkbit and Ploughmans Spikenard.

We then passed through the small group of homes at Lower East Carleton, then along the public

footpath that eventually brought us out onto Swardeston Lane a short way from its junction with Intwood Lane. There we turned east towards East Carleton, with open fields on our left and the many mature specimen trees which screen The Manor, on our right. The grass beneath these trees was being grazed by sheep, which was so much kinder to the eye and the planet, than the more usual ride -on mower!

We left this bucolic scene and took the footpath east, across the rolling grassland, skirted The Carrs and crossed the Meadow, which today was free of the usual cattle, and continued toward Swardeston.

The route took us to the lane where there is a fine monument to Edith Cavell, who was born in the village, the daughter of the Rector at that time. The church of St Mary is worthy of a visit and we took the time to spend a few minutes enjoying its quiet dignity and charming setting.

From there it was only a short stroll to our starting point where, to the surprise of all, Liz, the leader of this months walk, had made cake for us all in celebration of the three of the group that had birthdays during the preceding week. The perfect end to a lovely walk.

We meet on the first Monday of every month at 10.00am outside the public lavatories in Long Stratton. Join us if you can, for a walk that is usually no longer than 4.5 miles.
