## Message from Inspector Selvarajah

This month members of the safer neighbourhood team, patrol teams and special constabulary have been working hard in tackling criminality. We have been working with our partners with an ongoing serious crime investigation.

A man responsible for a carjacking in Bressingham from 2017 was also located, arrested and charged. South Norfolk officers successfully arrested, charged and remanded two men following the series of village hall and social club burglaries across Norfolk and Suffolk. This includes the Tacolneston village hall, Carleton Rode village hall and Shottford Bowls Club, Harleston, which was targeted twice. Our rural beat manager and drone pilot has been carrying out pro-active patrols of hare coursers who target our area.

## What is happening in your area

### Message from your Beat Manager Pc Barkway

Over the past month Long Stratton beat manager has been involved a project to reduce the number of unnecessary calls for service. This has resulted in a number of charges for an individual who was consuming vast amounts of police time. He has also been in attendance at Prevent conferences, The Government initiative to counter terrorism and training around County Lines and combating grooming of children into organised crime. Website [www.bespaceaware.co.uk](http://www.bespaceaware.co.uk) was set up by the mother of a county lines victim and holds some good information for parents and concerned parties. Moving into Brexit the Norfolk Constabulary Command team has asked beat managers to offer support to community members who have settled in the county or working in the county from abroad. A positive stance will be taken against those who use Brexit to 'tell people to go home' as this is likely to cause considerable harm and we should all respect all who chose to live in the county.
