Police continue to be made aware of scams over the internet and on your mobile devices. Please stay vigilant and if in doubt delete the email/text etc and/or report to Norfolk Trading Standards or email [Report@phishing.gov.uk](mailto:Report@phishing.gov.uk).

With the darker nights now with us please be vigilant around your vehicle and home security. It is worth getting in to a routine of checking all doors and windows are shut and locked and any outbuildings you have are secure with locks on them. If you see or hear anything suspicious please report this to us on 101 (999 in an emergency) or you can report online to us using our website.

### WHAT'S HAPPENING IN YOUR AREA?

Over the past month the number of stack fires has reduced with all the bad weather we have been having. Hare coursing issues have been on the increase along with the ongoing work around Anti Social Behaviour and drugs issues.

As a team we continue to patrol to tackle these issues along with speeding and the fatal four road traffic offences. As we approach the darker nights we encourage everyone to ensure that lights are working on cars and pedal cycle and even pedestrians are encouraged to carry lights and bright reflective clothing is worn.

We look forward to the usual events such as Halloween, fireworks and remembrance parades however we realise that we may have to celebrate these in a slightly different way this year.
